

Thank you for your inquiry about membership with Volunteering Queensland (VQ). Membership is available to any organisation interested in volunteering and the engagement of volunteers.

VQ encourages volunteer participation for the benefit of the individual and the community, which is achieved through a number of innovative projects and programs. These programs include Skills Bank which enables people interested in volunteering to list their skills, interest and availability, with community organisations being able to browse these volunteer profiles. Also, we are at the forefront in responding to spontaneous volunteering through the creation of the Community Response to Extreme Weather (CREW) strategy, which includes our Emergency Response Volunteer Register.

Your support is pivotal in enabling us to create these compelling opportunities for volunteers. By becoming a member of VQ you assist us to provide free resources, training and education and our online free volunteer recruitment service.

How do I join?

Simply complete and return the following VQ membership application form and tax invoice with payment of \$121.

If you wish to talk to anybody at VQ, please feel free to call (07) 3002 7600.

Yours Sincerely,

Diane Morgan
Chief Executive Officer
